BUG-009	Gift certificate purchase issue	Open	High	P1	2024-10-03	Developer B	
BUG-010	Slideshow products not clickable	Open	Medium	P2	2024-10-03	Developer D	

2. Bug Statistics

- Total Bugs Found: 10
- Open Bugs: 10
- Closed/Resolved Bugs: 0
- Deferred Bugs: 0
- Reopened Bugs: 0
- **Bugs by Severity:**
  - Critical: 0
  - High: 4
  - Medium: 4
  - Low: 2
- **Bugs by Priority:**
  - P0 (Critical): 2
  - P1 (High): 5
  - P2 (Medium): 2
  - P3 (Low): 1

3. Summary of Key Defects:

BUG-001: Users don't get a confirmation email after registering.

BUG-002: After login, users are redirected to the wrong page.

BUG-003: Password reset emails are not being sent.

BUG-004: Search suggestions are not appearing.

BUG-005: No email/otp is sent to the user to confirm the email change.

BUG-006: No confirmation email is sent after changing password.

BUG-007: Wrong addresses can be added during checkout.

BUG-008: Price filter is not sorting products correctly.

BUG-009: Users can purchase gift certificates without agreeing to terms.

BUG-010: Some products on the homepage slideshow can't be clicked.

4. Conclusions & Recommendations

- **Conclusion:** A total of 10 bugs were found. There are some important problems, like users not getting emails for registration and password reset, and the system accepting wrong addresses.
- **Recommendations:** The team should first fix the email issues because they affect how users sign up and recover their accounts. After that, they should fix the problems with wrong address entries and check the other medium-priority bugs, like the search and price filter issues.
